

ELTE·LAW  
1667  2017

## Conference on the recent developments in the law of security interests: the Cape Town Convention, its Protocols and national laws

Venue: ELTE University, Faculty of Law, Budapest, Hungary

Date: 22 November 2017

### About the conference

The purpose of the conference is to provide an opportunity for the participants to come together and to share and discuss the different experiences, views and ideas concerning some of the recent international and national developments in the law of security interests. The participants, who are law professors, officers from international organizations, government officials, practicing attorneys and renowned experts of the field, will come from the UNIDROIT, Hungary and several other countries creating a truly international atmosphere for the discussions. At the conference there will be several presentations on the different aspects of security interests, the Cape Town Convention, its protocols, in particular the Luxembourg Protocol and the upcoming MAC Protocol. Moreover, the event will provide a unique opportunity for discussions and exchanging ideas concerning other aspects of the field as well.
