

Dear student,

Thank you for your interest in Tilburg University as the university for your exchange! We look forward welcoming you on our beautiful campus. But what does our campus look like and what does an exchange semester in Tilburg entail? This letter contains various links that lead you to folders, videos and website to learn more about our university. If you have any questions remaining after reviewing the information, know that the Study Abroad & Exchange Team can be reached by email through studyabroad@tilburguniversity.edu.

[You can find our promotion materials here. The materials included are our factsheet, our flyer, our promotional video for exchange and several pictures of our campus.](#)

Our website is there to help students find their way during their application process. Click on the links to learn more about Tilburg University and our incoming exchange program:
