COMPETITION LAW MOOT

KING'S
College
LONDON

Join the Faculty's team of the 2024/2025 Competition Law Moot

What you learn at mooting, will guide you through your entire career:

- you will develop legal arguments in a convincing manner
 - you will draft legal submissions in a structured way
- you will engage with deeply interesting competition law issues
 - you will learn how to carry out legal research efficiently
 - you will cooperate closely with your peers and
 - you will have a lot of fun (this is 100% guaranteed).

**The Faculty of Law of ELTE will select four (4) students
to take part in the Moot.**

**The best twelve teams from universities all around the world will be
competing at King's College in London in June 2025
(with a scholarship from ELTE Faculty of Law).**

**If you are interested in receiving more information about the
Herbert Smith Freehills Competition Law Moot:**
